NOTE FOR: Deputy Director of Central Intelligence

FYI, the attached package went to the DCI, fulfilling his request of 18 December for an NIO register. The notes attached on NIO duties provided the basis for our discussion that day.

THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Council

3 February 1988

NOTE FOR: Director of Central Intelligence

FROM: H. F. Hutchinson, Jr.
Acting Chairman

Attached is a directory of National Intelligence officers that you asked me to devise.

Four changes will occur in the next month or so:

- Kate Hall, NIO at Large, will transfer to the DI, not to be replaced.
- John Bird, NIO/Warning, will transfer to the DI/SOVA;
- Charlie Allen will become NIO/Warning; and
- Andre LeGallo will become NIO/Counterterrorism.

STAT

We will publish a new directory in about a month, and your suggestions would be welcome.

Also, I have attached the notes describing the functions of NIOs.
